## diversified investment platform

At Ameritas, the investment options offered through our group variable annuity contract provide the choices, quality and flexibility to help your plan participants save for retirement. We strive to deliver high quality products, investment options and services generation after generation. That includes a quality investment product where investment options undergo a rigorous selection process. Only those that meet our strict standards for quality, management and long-term performance are included in our platform. Your plan fiduciary then selects the investment options that are available to your plan's participants.
