Electronic Claims Submission

Get paid faster with electronic claims and attachments.

Submit orthodontic, periodontal, pretreatment estimates, and claims with attachments. If more information is needed, we'll request it. With Ameritas, the benefits of using electronic claims and attachments are many:

- Most e-claims are processed the same day received
- Consolidated checks are sent within 7 business days, compared to 14 business days for paper claims
- Eliminates postage and envelope expenses, and lost or damaged claim attachments
- Improves your revenue cycle, lowers rejection rates, and reduces the need for follow-up
