

# Electronic Claims Submission

## Get paid faster with electronic claims and attachments.

Submit orthodontic, periodontal, pretreatment estimates, and claims with attachments. If more information is needed, we'll request it. With Ameritas, the benefits of using electronic claims and attachments are many:

- Most e-claims are processed the same day received
- Consolidated checks are sent within 7 business days, compared to 14 business days for paper claims
- We reimburse our providers up to 30 cents for each claim submitted through the clearinghouses shown here
  - Quarterly checks are issued in February, May, August and November for cumulative amounts of \$25 or more
- Eliminates postage and envelope expenses, and lost or damaged claim attachments
- Improves your revenue cycle, lowers rejection rates, and reduces the need for follow-up

*Claim fees are reimbursed when submitted through these clearinghouses.*
