

# Electronic Claims Submission

## Speed up your claims payment process

As a network provider, you can submit claims electronically so dental claims processing is fast and simple.

It's an easy way to manage your claims and get paid quickly!

## Benefits of electronic claims submission

- Most e-claims are processed the same day received
- Consolidated checks are sent within 7 business days, compared to 14 business days for paper claims
- Eliminate postage and envelope expenses
- Lower rejection rate and reduce the need for follow-up
- Virtually free or reduced fees for our network providers—we reimburse up to 30 cents per e-claim submission
- Optimize cash flow management
- Streamline administrative tasks and enhance office productivity

## Electronic claims clearinghouses

### Change Healthcare

- Interfaces with more than 140 dental systems
- Electronic submission to than 650 payers
- Detailed reports available

800-477-7042

## Electronic claims attachments

### National Electronic Attachment Inc. [NEA]

- Send and receive important attachments online such as X-rays, perio charting, EOBs, etc.
- One central place to view all payers' attachment requirements
- Store all X-rays in NEA repository as offsite backup to originals

800-782-5150

### Change Healthcare

- Reduce guesswork: payers' attachment requirements are built in, so you know exactly what supporting documentation is needed at the time of claims submission.
- Get paid faster by payers and patients when claims are easier to submit appropriately the first time, requiring less re-work to correct claims submitted with insufficient support.
- Make your office more efficient with less paperwork processing for staff, faster communication with patients, and a more streamlined revenue cycle.
