FAQ

Can I use my benefits if I visit a provider outside the network?

Yes, if you visit an out-of-network provider, you pay your provider the full balance and submit a claim with your itemized receipt for reimbursement based on out-of-network plan benefits.

Can I get glasses and contacts in the same year?

No, your benefit can be applied to contacts OR glasses during the benefit year.

Can I use my benefits at Walmart and Sam's Club?

Yes. These retailers handle filing the claim, but out-of-network benefit allowances apply. The out-of-network allowances still go a long way due to the lower overall price points of these retailers.
