

Offer Additional Benefits Without an Increased Premium

Help your employees plan for the unexpected, and boost employee satisfaction, with this easy-to-use reward program.

When employees use their dental benefits, they can earn rewards to help pay for more expensive dental services in the future. And they can apply a set portion of those rewards to the other Ameritas benefits you offer, such as vision and orthodontia.

We know that employee satisfaction affects your bottom line. Increase your recruitment and retention efforts by offering this reward incentive program.

Help your employees plan for the unexpected.

Ameritas Rewards encourages preventive dental visits and is beneficial for those with good oral health who may need more expensive procedures every once in a while. Members can find benefits and rewards information online - there's nothing for you to track.

1. Members earn rewards by visiting the dentist, submitting a claim and keeping benefits received at or below the threshold.

3. The reward accumulation is unlimited and may be used toward any covered dental service or a set portion toward other benefits your offer.

2. Rewards are applied the next benefit year and can be used after the benefit maximum is met.

4. Members who visit an Ameritas Dental Network dentist earn PPO Bonus rewards to add to their annual carryover amount.
