

## **Ameritas Announces the Completion of Two Building Projects on Forest Park Campus**

April 23, 2015 //Cincinnati, Ohio// To celebrate the completion of two major building projects, Ameritas announces it will host a ribbon cutting ceremony Thursday, April 30, at 1:30 p.m. at the Ameritas main entrance, 1880 Waycross Road in Forest Park. Building tours and a reception will follow immediately after the ceremony.

The first project, completed last September, was the construction of a new office facility. Located at 1876 Waycross Road, the nearly 70,000-square-foot office building provides a modern, updated work environment for approximately 350 Ameritas associates. The newly remodeled building at 1880 Waycross Road is a 201,000-square-foot facility shared by 225 Ameritas associates and a major Ameritas tenant, Jacobs Engineering. In addition to the remodeled office space, the project includes a new cafeteria, a remodeled conference center and a new fitness center.

The successful completion of these building projects is further evidence of the ongoing commitment by Ameritas to Forest Park and the company's strong financial position for growth and expansion.

Ameritas employs approximately 575 associates on the Forest Park campus and nearly 2,300 people nationwide.
