

# How to Use Your Dental Rewards®

By visiting the dentist each year, you can earn rewards to help pay for more expensive dental services in the future. This program lets you earn increased benefits without increased premiums.

## How to earn and use your rewards:

- 1 Visit a dental provider each year and submit a claim.
- 2 If all claims for the year stay under the benefit threshold, you qualify to carry over benefit rewards.
- 3 Earn PPO Bonus rewards when visiting an Ameritas Dental Network provider.\*
- 4 Build rewards up to the maximum reward accumulation, and use your rewards after the initial plan benefit maximum is used.

## Things to know

- If you exceed your annual benefit threshold, you keep the rewards you've previously earned but don't earn new ones.
- If you don't visit the dentist during the year, your accumulated dental plan rewards will be lost, but you can begin earning rewards again next year.
- Rewards are subject to the applicable deductible, coinsurance and plan provisions.
- Find your current rewards balance in your secure member account at [ameritas.com](https://ameritas.com). Check your dental benefits summary or patient details.

**PPO Bonus: When you visit an Ameritas Dental Network provider, you earn additional rewards to add to your annual carryover amount. Plus, your out-of-pocket expenses are usually 25-50% lower when you visit a network provider.**
