

# How to Use Your LASIK Benefit

## Understanding your LASIK benefit

---

- This isn't a discount program. You receive cash reimbursement with this benefit.
- Your LASIK benefits are not tied to a network, so you can seek services from any doctor at any facility.
- You can use your LASIK benefits in conjunction with discounts or specials that may be offered by your provider.
- LASIK is a lifetime benefit that pays once per person, per eye— and per-eye benefits cannot be combined to treat a single eye.
- You must be 18 or older to receive LASIK benefits.

**Let your benefit increase over time, based on your plan effective date. If you wait to have eye surgery until the third or fourth year that you are on the plan, you will receive a greater benefit.**
