

# Promote Health and Savings With Increasing Incentive

**Help your employees improve their dental health and reduce out-of-pocket costs. When they visit their dentist and submit a claim each year, their benefit coverage increases.**

- Increasing benefit levels can be applied to both Type 1 & 2 procedures, or Type 2 procedures only.
- When members visit their dentist and submit at least one covered claim during a benefit year, their benefit levels increase the following year until they reach the highest plan benefit, reducing out-of-pocket expenses for the member and family.
- If no dental claims are submitted during a benefit year, members revert to the Year 1 benefit level the following year.
- Claims and benefit levels for each family member are tracked separately which encourages regular preventive visits.
- Dentists in the Ameritas Dental Network have agreed to charge 25-50% less than their regular rates.

	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>
