

# How to Use Your Ameritas Rewards<sup>®</sup>

## Earn benefit rewards by using your dental plan benefits

- Visit your dentist at least once a year.
- Keep your total paid claims for the year under your benefit threshold.

## Apply your rewards where you need them

- Use your rewards for dental procedures – or use a set portion toward other Ameritas benefits – after your existing benefit is used.
- Save your itemized receipt for vision materials reimbursement.
- You and your covered dependents have your own rewards accounts.

## Keep earning rewards

- This reward accumulation is unlimited.
- If you exceed your annual benefit threshold, you'll keep the rewards you've already earned, but won't earn new ones.
- If you don't use your dental benefits at least once a year, your accumulated rewards are lost, but you can begin earning them again next year.

Rewards are subject to the applicable deductible, coinsurance and plan provisions

**PPO Bonus:** When you visit an Ameritas Dental Network provider, you earn additional rewards to add to your annual carryover amount. Plus, your out-of-pocket expenses are usually 25-50% lower when you visit a network provider.
