

PrimeStar[®] Progressive

Individual Dental Insurance

Research shows that good dental health is essential to your overall health. Protecting your smile starts with regular visits to the dentist, and a good dental plan.

- No waiting periods on preventive services
- No enrollment fees
- Ameritas dental network savings

Dental Network Plan Options

PrimeStar Progressive brings you the Ameritas dental network with features like:

- Discounted fees, generally 25-50% below average charges in your community
- Immediate network discounts
- One of the largest nationwide networks with more than 471,000 access points and 114,000 providers

PrimeStar Progressive plans are designed for those who value the freedom to visit any dentist, but will enjoy additional savings with an Ameritas dental network provider.

While all PrimeStar plans allow you to choose any dentist, Progressive offers you richer benefits out-of-network than our Network plan. If you use a non-network dentist, covered benefits are paid at the 80th percentile of usual and customary charges. You pay the difference between what the plan pays and the dentist's actual charge. If you use an in-network provider, your out-of-pocket costs will be based on the contracted fees (MAC/maximum allowable charge), which may result in lower out-of-pocket costs.

Visit ameritas.com and select **Find a Provider** to find a provider near you. Simply enter your ZIP Code and choose the Classic (PPO) Network to start your search.

Network not available in RI and the PA counties of Forest and Potter.
