# How to Use Your Vision Benefits

**You can see any provider. But you save more when you visit a EyeMed network provider.**

## Access your account and ID card

Register for or log in to your member account at EyeMed.com and locate the My Benefits page to verify your coverage and eligibility. Manage your vision benefits anytime by downloading the EyeMed Members app.

Create an ameritas.com member account to print or download your ID card to your digital wallet. You can access your EyeMed account directly with single sign-on.

## Find a provider

Verify your network and search for a network provider in your EyeMed member account by selecting Find an eye doctor.

EyeMed's network includes some of the most recognized names, including:

LensCrafters, Pearle Vision, Target Optical

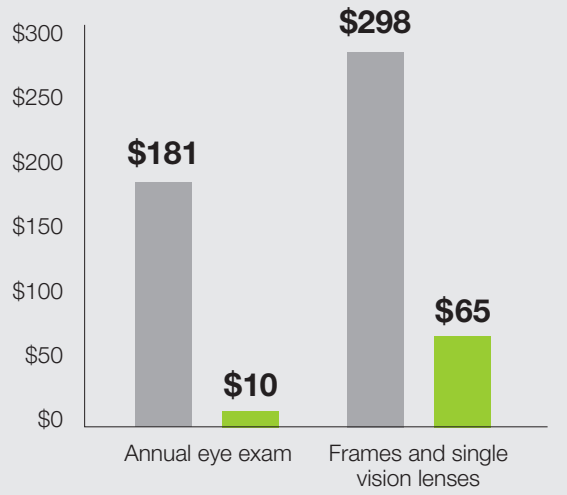

Walmart and Sam's Club are not in the EyeMed network. When you visit these retail locations, your out-of-network benefits apply.

Browse and buy eyewear online with network benefits. Vision benefits are applied directly to online orders at lenscrafters.com, targetoptical.com, rayban.com, oakley.com, glasses.com and contactsdirect.com.

## Schedule an appointment and check claims

Appointments can be scheduled online with participating network providers. To access the out-of-network form or to check the status of a claim, go to the Claims tab in your EyeMed member account.

## EyeMed Network Provider Savings

This example reflects average savings. For illustrative purposes, the initial cost without insurance has been estimated. Actual charges may vary.
