

sales on-the-go

Taking your sales with you has never been easier when you add the PrimeStar custom hyperlink to the home screen of your mobile device. Follow the instructions below to see how you can use your Android device for more selling power on-the-go!

Step 1:

Enter your custom hyperlink into your default web-browser.

Then, locate the icon circled here in the image

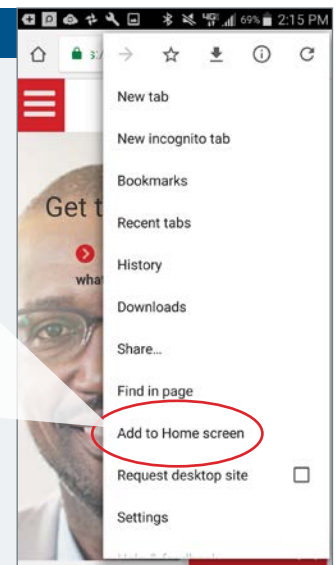

Step 2:

Select the "Add to Home Screen" icon.

Find in page

Add to Home screen

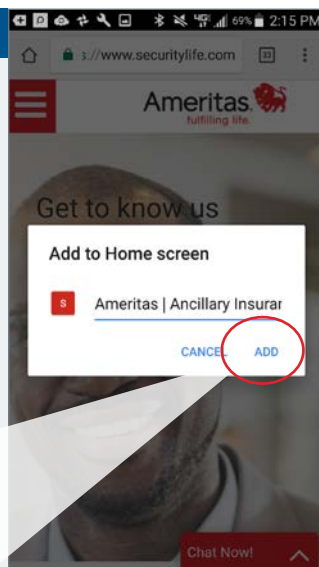

Request desktop

Step 3:

A new window will appear to allow you to edit the name of this page. This is how it will appear on your home screen. Click "Add" when finished.

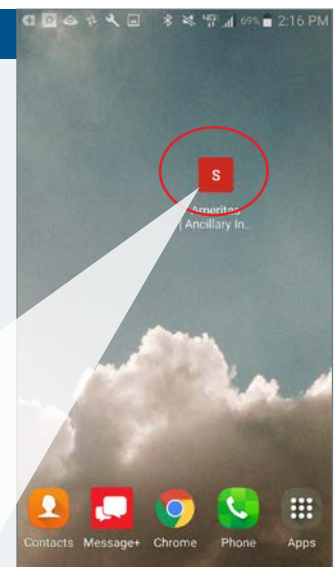

ADD

Step 4:

Once you've hit "Add," your hyperlink will now appear on the home screen of your mobile device - just as an app would. Now, whenever you're ready to make a sale, simply click on this app and begin!

As always, you will be automatically credited for any sales made through your hyperlink.

For Agent use only - not to be used in a sales situation.
