## Vision provider network

VSP offers the nation's largest network of independent providers. Find VSP network providers at [vsp.com](https://vsp.com).

**Retail locations.** Retail chains accepting VSP insurance include Costco Optical\*, Sam's Club, Visionworks and Walmart.

**Online options.** Policyholders can browse and buy eyewear online at [eyeconic.com](https://eyeconic.com) and get the most current deals. Eyeconic is in the VSP network, and their vision benefits are applied directly to their online order.

**VSP savings.** Policyholders can take advantage of 20% off the remaining frame balance, additional prescription glasses, and non-covered lens options. And receive an extra \$20 to spend on featured frame brands. The laser vision correction discount can be used on LASIK or PRK procedures.

\*Not all providers at Costco locations are VSP network providers. Please verify that the provider is in the VSP network before seeking services. The frame allowance at some retailers may be less due to lower wholesale pricing.

### Access benefits

After the policyholder's coverage begins, they can create an account at [ameritas.com](https://ameritas.com) to access their benefit information. Claims history can be accessed through a VSP account at [vsp.com](https://vsp.com) or the VSP app.
