

# Individual Dental and Vision Plans for Groups

You work hard to create a benefits package that matches your employees' needs. However, not all employees and their families are eligible for group dental and vision coverage. Expand your traditional benefits package with individual dental and vision plans.

## Those who benefit from an individual plan:

- dependents aging out
- contracted, seasonal and part-time employees
- retirees
- employees affected by layoffs, mergers or acquisitions
- non-covered family members
- employees leaving the company

## Offering benefits has never been so easy

Ameritas individual plans provide benefits from the same trusted carrier and comprehensive network as your group plan.

Ameritas handles the enrollment, billing and collecting.

Employees shop for and enroll in plans online.

The individual is solely responsible for the plan premium.
