Select the plan that's right for you

Both plans feature:

Lifetime deductible. With a lifetime deductible, you pay the \$50 deductible only one time for as long as you are covered by the plan. It is a per-person deductible with no family maximum.

Vision benefit. A portion of your annual dental maximum can be used to help cover vision expenses. Benefits for dental and vision cannot exceed the full annual dental maximum.

Network savings. Lower out-of-pocket costs when you visit a network provider. Dentists in the Ameritas network have agreed to charge 25-50% less than their regular rates.

The High Plan offers:

Increasing benefits for in-network Basic procedures. When you submit at least one covered claim during a benefit year, your benefit levels increase the following year until they reach the highest plan benefit, reducing your out-of-pocket expenses.

Coverage for Major procedures such as crowns.

Dental Rewards & PPO Bonus. By visiting a dental provider each year and submitting a claim, you can qualify to carry over benefit rewards and increase your available dental insurance benefits. If you visit an Ameritas network provider, you earn an additional bonus per year.
