

Ameritas Dental and VSP Vision Benefits

Offer robust dental and vision benefits at a lower premium by combining an Ameritas dental plan with a VSP vision plan.

Plan highlights

 Ameritas Dental Network savings <p>Visiting a network dentist can make benefit dollars go further. Dentists in the Ameritas network have agreed to charge 25-50% less than their regular rates.</p>	 Increasing vision benefits <p>Vision benefits increase over the first three years and stay at the highest level regardless if the member uses their benefits. Benefits are available for exams, frames and lenses every 12 months.</p>
 VSP network savings <p>Members receive extra discounts in-network on the latest designer frames, the option of prescription safety glasses in lieu of eyeglasses, and the ability to use their in-network benefits online at eyeconic.com.</p>	 Premium savings <p>By combining dental and vision benefits with one single enrollment, members receive both dental and vision benefits at a lower premium than if they were offered separately.</p>

Reward your employees and help retention efforts when you offer increasing vision benefits.
