Hassle-free dental benefits

See any dentist. Ameritas dental plans allow members to see any dentist they choose, in- or out-of-network, unless otherwise specified. Family members do not need to see the same dentist.

Avoid paperwork. When visiting a network provider, there are no claim forms to submit. Members simply make the appointment and show up.

Save money. Visiting a network dentist can make benefit dollars go further. That's because dentists in the Ameritas network have agreed to charge members reduced rates.

Exceptional network. The Ameritas Dental Network is one of the nation's largest. Plus, in Washington, members can choose from 2,300+ offices and 10,900+ providers for quality care. Find a dental provider at [ameritas.com](https://www.ameritas.com), Find a Provider.

"Our customers come first. Always. We're here for you and your clients, and we'll do everything we can to answer your Ameritas dental and vision benefits questions."
