

Increase Sales With Dental

It's easy to sell Ameritas individual dental insurance

Add Ameritas dental benefits to your current portfolio for quick sales and easy commissions. Sell plans with dependable coverage, backed by award-winning customer service.

How to get started

1

Ask your client if they have dental coverage.

2

Browse plans in their area using your shopping URL.

3

You or your client complete the short online application.

Tools to make your job easier

- Include your shopping URL on your website and email signature so clients can enroll with just a few clicks.

- The Ameritas Sales Connect Team is available to help you and your clients with any questions.

- The member portal lets clients track their benefits and update account information at their convenience.
