Good for you and your employees

Employees are searching for the best benefit options for themselves and their family members. Dependents can also independently select the feature that best suits them regardless of what their family members choose for themselves. Now you can provide the coverage they want, right when they need it most. EasyOptions supports your business by allowing for:

- managed base plans provided at enrollment
- no setup costs for multiple package options
- increased employee satisfaction from personalized benefits

Ameritas is an exclusive provider of VSP EasyOptions packages

How it works:

- 1 You choose the package option you desire for your employees.
- 2 Employees will visit their VSP network provider after enrollment.
- 3 Their provider will help them determine which selection is best to maximize savings.
