We're proud to protect your smile. Dental insurance is just as important to a lifetime of good health as your medical plan. But caring for your teeth, and making sure your loved ones have good oral health care, can be expensive. You can offset these expenses by taking advantage of Ameritas dental benefits exclusively for State of Florida employees and their families.

## Things to know:

- The Ameritas Classic & Plus Dental Network is a large PPO network that continues to grow year after year. So you have convenient access to both general and specialty dental providers without the need for a referral.
- You are free to visit any provider you choose! Your out-of-pocket costs may be 25-50% lower when visiting a network provider.
- When visiting an out-of-network provider, if the dentist's charge is more than your plan allowance, this will be an out-of-pocket expense for you.
- Network providers accept payment directly from Ameritas, an option which is also available to out-of-network providers.
- You can nominate a dentist to join the network via the link on the State of Florida dental benefits site. Use the QR code or call our provider relations team at 800-755-8844.
- Find a Dental Provider on your dental benefits site, and view your Ameritas Classic & Plus Dental Network listing of general and specialty providers.
