

2025 Group Dental Plan

For State of Florida Employees and Families

4021 Ameritas Indemnity w/PPO

4022 Ameritas Standard PPO

4023 Ameritas Preventive PPO

We're Proud to Protect Your Smile

Dental insurance is just as important to a lifetime of good health as your medical plan. But caring for your teeth, and making sure your loved ones have good oral health care, can be expensive. You can offset these expenses by taking advantage of Ameritas dental benefits exclusively for State of Florida employees and their families.

Compare your three dental plan options for 2025

Dental benefits

Things to know:

- The Ameritas Classic & Plus Dental Network is a large PPO network that continues to grow year after year. So you have convenient access to both general and specialty dental providers without the need for a referral.
- You are free to visit any provider you choose! Your out-of-pocket costs may be 25-50% lower when visiting a network provider.
- When visiting an out-of-network provider, if the dentist's charge is more than your plan allowance, this will be an out-of-pocket expense for you.
- Network providers accept payment directly from Ameritas, an option which is also available to out-of-network providers.
- You can nominate a dentist to join the network via the link on explore.ameritas.com/stateoffl, or by calling our provider relations department at 800-755-8844.
- Visit explore.ameritas.com/stateoffl and click Find a Dental Provider to view your local network listing of general and specialty providers. Your network is Ameritas Classic & Plus Dental Network.

How to enroll

Enroll electronically on the People First website at peoplefirst.myflorida.com.

Common questions

What is the deductible?

The deductible is an out-of-pocket expense that applies before plan benefits take effect on Type 2/Basic and Type 3/Major procedures. The remaining amount will be paid at the listed benefit level. There is no deductible on preventive visits.

The calendar year deductible is determined by who is covered under your dental plan, no more than \$50 will be applied toward the annual deductible per person, until the full family deductible for Type 2 and Type 3 services is met.

When can I switch plans?

You may change plans during annual enrollment. There are no additional waiting periods if you switch between Ameritas plans. The 12-month wait for orthodontic coverage on the Standard PPO plan may be waived if your prior plan included orthodontics.

What if I have a dental treatment in progress and switch plans?

Dental treatments are billed based on the date each service is performed. For example, the day your provider starts a root canal or prepares a crown is considered the date of service. If you have a service in progress that requires multiple visits, claims for services received before January 1, 2025, will be submitted to your previous plan or dental carrier. Claims for dental services performed January 1 or after will be submitted to your new plan.

Some services go hand-in-hand, such as a tooth extraction and replacement. If a tooth was extracted under prior coverage, you have 12 months after the date of extraction to replace the tooth under your new plan. If those services are performed under different insurance carriers, your dentist should provide documentation of the previous procedure because we do not have access to your claim history with other carriers prior to January 1.

If my current dentist is not in the Ameritas network, will I pay significantly more for dental services?

When you visit an out-of-network dentist, the amount that we reimburse you or your provider is based on the average charge. If the charge happens to be higher than your plan allowance, the difference will be an out-of-pocket expense. You can ask your provider to submit a pretreatment estimate to Ameritas so you and your provider can see exactly how the claim will be processed and what you will pay.

Orthodontia benefits

What is the orthodontia waiting period?

- Indemnity with PPO: There is no waiting period for orthodontia benefits.
- Standard PPO: There is a 12-month waiting period before orthodontia benefits begin. If you are new to the Ameritas dental plan and had prior orthodontic coverage, you may submit documentation for consideration to waive the waiting period.
- Preventive PPO: No orthodontia benefits are available with this plan.

What if someone is in the middle of an orthodontic treatment plan?

For orthodontia programs that were covered under your previous plan, and are in progress, Ameritas will coordinate benefits between your old plan and the new plan to make sure you get the remaining maximum benefit.

For example, if the previous plan had paid \$750 toward orthodontic treatment, you would still be eligible for an additional \$1,250 under the Ameritas plan. Ameritas reimburses orthodontic payments quarterly. We encourage you or your orthodontic provider to contact Ameritas with any questions you may have. The following example shows orthodontic benefit payments under the Ameritas Plan (\$2,000 lifetime maximum) for a patient who paid \$750 last year under the previous plan.

Remaining months ortho treatment	Lifetime maximum	Paid under prior plan	Ameritas scheduled to release	Number of quarters	Benefits scheduled to be released each quarter
3	\$2,000	\$750	\$1,250	1	\$1,250
6	\$2,000	\$750	\$1,250	2	\$625
9	\$2,000	\$750	\$1,250	3	\$417
12	\$2,000	\$750	\$1,250	4	\$313

One-time set up is quick and easy

- Go to [ameritas.com](https://www.ameritas.com)
- Click Sign In (top right corner)
- Select Personal Accounts
- Under Dental, Vision & Hearing, choose Member Sign In
- On the Login page, select Register Now
- Complete the New User Registration Form

Using online services helps to minimize your risk of identity theft, protect your privacy and get your benefit information faster than through the mail.

You also can download the **Ameritas Benefits** app and view your benefits. Available for iOS and Android.

The image shows a smartphone screen with the Ameritas logo at the top. Below the logo, the text "new user registration" is displayed. The form is divided into two sections. Section 1, "1. Contact Information", includes a disclaimer: "Ameritas will not share your email address with any third party company or mailing list. You will receive no messages or promotional information unless you request it. Your e-mail address may be used to notify you of changes to your account status or policies." Below this are input fields for "First Name:", "Last Name:", and "E-mail Address:". Section 2, "2. Choose your User ID and Password", includes the text: "Your User ID and Password will be what you use to sign in every time you return to this site."

You have 24/7 access to:

- personalized ID card; print it or save it to your smartphone
- claim status and a summary of how benefits were calculated and payments were processed
- plan details including maximum benefit and deductible amounts, and your used versus remaining benefits
- information about worldwide support for dental or vision emergencies outside the U.S. through AXA Assistance
- savings cards for discounts on prescription drugs, eyeglasses, hearing aids and audio products

Prescription drug savings

With the non-insurance prescription discount, on average you could save up to 65% on generic prescriptions and up to 40% overall across brand-name and generic prescriptions combined. Anyone can use the prescription savings card to save on prescription medications at over 60,000 pharmacies across the nation. Includes CVS, Walgreens, Rite Aid and Walmart. By presenting the prescription savings card, participating pharmacies will use your normal medical plan pharmacy benefit, or the non-insurance prescription discount, whichever saves more.
